Level Descriptors

Reading

C1	Can understand demanding and grammatically complex texts on familiar and unfamiliar topics. Has a sophisticated vocabulary, including some specialised items and idiomatic expressions.							
B2+	The performance reflects some of the B2 characteristics and some of the C1 ones.							
B2	Can understand well-structured texts on a wide range of familiar and unfamiliar topics. Has a broad vocabulary, including some less frequently used words.							
B1+	The performance reflects some of the B1 characteristics and some of the B2 ones.							
B1	Can understand straightforward, factual texts on familiar topics. Has a good knowledge of more frequently used vocabulary.							

Listening

C1	Can understand demanding, extended speech on complex topics, both familiar and unfamiliar, even when it is not clearly structured. Has a sophisticated vocabulary, including some examples of non-standard usage.
B2+	The performance reflects some of the B2 characteristics and some of the C1 ones.
B2	Can understand extended speech on familiar and unfamiliar topics as long as it is well-structured and delivered in a standard dialect. Has a broad vocabulary, including some less frequently used words.
B1+	The performance reflects some of the B1 characteristics and some of the B2 ones.
B1	Can understand straightforward, factual information on familiar topics as long as it is delivered in slow, standard speech.
